## Our **Products**

Premium quality California in-shell almonds known for their crisp texture, rich flavor, and consistent size. Perfect for snacking, gifting, or processing, these almonds are naturally grown in the orchards of California and carefully selected for excellence.

Inshell  
**Almonds**

**Pistachios**

Carefully harvested and naturally sun-dried, our American pistachios offer a rich, buttery flavour and a satisfying crunch. Ideal for snacking or culinary use, with consistent quality in every bite.

Naturally sun-dried for rich sweetness and chewy texture, our premium figs are packed with flavor and nutrients. A wholesome choice for snacking or adding depth to recipes.

Dry  
**Figs**

Dry  
**Red Chilli**

Bold in color and intense in flavor, our sun-dried red chillies deliver a perfect kick of heat and aroma. Ideal for seasoning, cooking, or spice processing with consistent quality.
